**FOR IMMEDIATE RELEASE**

**Migrant Math Competition**

**Wednesday, March 10, 2010 – 9:00 a.m.-2:00 p.m. – CSU, Fresno Satellite Student Union**

On Wednesday, March 10, 2010, at 9:00 a.m., the Fresno County Office of Education's Migrant Education Program, Region IV, will host a math competition called "It's All About Math" at CSU, Fresno Satellite Student Union. This event will consist of 135 migrant middle school students participating in a math competition from various districts.

The purpose of this competition is to increase the STAR testing scores of low performing migrant students. These students will compete with other students from their districts. The top finalists of the competition will receive prizes based on their performance.

For additional information, please contact Laura Flores, Migrant Education Intern, at (559) 265-3098 ext. 4176, Ruben Castaneda, Migrant Education Intern, at (559) 265-3098 ext. 4175, or Marsha Wernick at (559) 497-3813.
